**IMPORTANT NOTICE:** This document constitutes a blockchain evidence packet generated programmatically from live XRP Ledger mainnet data and Chainlink oracle feeds as of May 1, 2026. The USDC reflected herein is issued by the TROPTIONS internal XRPL issuer (domain: troptions.org) and represents tokenized USDC IOUs on the XRP Ledger, not Circle-issued USDC. Chainlink valuation reflects real-time Ethereum mainnet USDC/USD price. This document is issued for desk verification purposes. All transaction hashes are publicly verifiable on XRP Ledger (xrplcluster.com, xrpscan.com) and Ethereum mainnet (etherscan.io). **Final Status:** DESK REVIEW READY — VAULT CUSTODY AND WALLET CONTROL PENDING. **Generated: 2026-05-01T19:41:31.518Z**
